### "Can't Beat Our Meat"

All our meat is 100% hormone and antibiotic free.
Our hand-formed all-natural burgers come from sustainable farms.
We use free range chickens that are locally grown and humanely raised.
We use local produce whenever possible.

*We serve our burgers a delicious, juicy medium, We'd be happy to cook your burger however you like, but the health department would like you to know that consuming raw or undercooked meat, poultry, or eggs can kill you.
